BUTLER COUNTY

County gives grants to push recycling

The Butler County Department of Environmental Services has awarded more than \$15,000 in recycling incentive grants to promote waste reduction and recycling. The 2008 recipients included seven schools, four non-profit organizations, the city of Hamilton's Park and Recreation Department, and Aeronca, Inc., an aerospace company in Middletown. The grants help pay for new recycling containers, recycling services and promotional materials. For more information, call 513-887-3406.
